ABOUT STRETCH

STRETCH IS A NON-PROFIT LEADERSHIP AND MANAGEMENT CONFERENCE TO LEARN FROM THE BEST AND STRETCH YOURSELF. A CONFERENCE FOR EVERYONE WHO WANTS LEARN MORE ABOUT THE TOOLS OF A SUCCESSFUL MANAGER.

IN 2013 WE LEARNT ABOUT BEAUTIFUL TEAMS EMBEDDED IN LEARNING ORGANIZATIONS. WE FOCUSED ON TEAM LEADS, MANAGERS, FOUNDERS WHO WANTED TO SCALE UP THEIR ORGANIZATION AND WE INVITED SPEAKERS WHO HAD ALREADY SUCCEEDED.

IN 2014 WE WILL INVITE GREAT INDIVIDUAL PERFORMERS AND GREAT COLLABORATORS TO SHOW EVERYONE HOW TO STRETCH THEMSELVES. THIS WILL ENABLE YOU TO CHANGE YOUR MINDSET AND IMPROVE YOUR SOFT SKILLS TO HAVE A GREAT IMPACT ON YOUR TEAMS, YOUR COMMUNITIES AND ON YOUR OWN LIFE. COME AND LEARN HOW YOU CAN BE A BETTER PERFORMER AND THROUGH THIS A GREAT TEAM PLAYER.

JOIN US IN BUDAPEST, HUNGARY THIS DECEMBER 4-5 AND GET INSPIRED BY STORIES FROM LEADERS IN GREAT ORGANIZATIONS AS THEY TALK ABOUT THE CHALLENGES OF LEADERSHIP COMING FROM WITHIN THE TEAM.

Why teams and brains?

- The brain is a diverse, messy toolbox.
- Each of us excels with particular tools and ways of using those tools.
- A team's toolbox is drawn from its various members.
- We can better support a team by knowing its strengths and weaknesses for its tasks, and by engaging the team to develop.
- Genetics, background, education, career, age, and more color brain development.

2ND EDITION
300+ ATTENDEES

2014 DECEMBER 4-5

STRETCH is a leadership and management conference to learn from the best and stretch yourself.

Join us in Budapest, Hungary this December and get inspired by stories from leaders in great organizations as they talk about the challenges of leadership coming from within the team.

This year we will invite great individual performers and great collaborators to show everyone how to stretch themselves. This will enable you to change your mindset and improve your soft skills to have a great impact on your teams, your communities and on your own life.

3RD EDITION
250+ ATTENDEES

2015 FEBRUARY

MLOC.JS 2014 Conference is about engineering million lines of code applications on the JavaScript platform.

We see the bright future of generated JavaScript code and the web as a platform. Our conference cover tools and frameworks helping you compile or write maintainable, high performance, beautiful code.

Creating a 3D game in C++ and WebGL for the web, or a complex single page application in Vanilla JS? Let's talk about what will be possible on this platform in the next 10 years.

2ND EDITION
900+ ATTENDEES

2015 APRIL 23-24

CRAFT is about craftsmanship in software companies, which tools, methods, practices should be part of the toolbox of a modern developer and company.

CRAFT is not just about software development but company culture, we cover topics from continuous delivery to continuous improvement.

You can learn the most important topics from the best speakers and practitioners in our community.

2ND EDITION
300+ ATTENDEES

2015 OCTOBER

The **REDEFINE** Conference will bring together a diverse collection of design professionals, with the aim to take a small step towards building a more conscious design ethos for our generation.

Design has always been a continuously evolving discipline, resulting in many different approaches and definitions.

Today, the Internet and connected technologies are further blurring its boundaries, but opening the door for hybrid experiences that merge digital and tangible facets of design. This rapidly evolving landscape offers great opportunities for the new generation of designers.
